LEGOLAND®

LEGO®

Denne bog giver ideer til byggeri og leg med LEGO® klodser.

De muligheder, der er vist, har allesammen noget med LEGOLAND®miljøer at gøre - altså By, Rumfart og Borg.

De to figurer i bilen nederst på siden kan du følge hele vejen gennem bogen.

Det er ikke sikkert, du kan bygge alle tingene nøjagtigt, som de er vist i bogen, fordi du mangler nogle af elementerne. Men byg alligevel. Det vigtigste er at bruge de klodser, du har, på nye måder.

God fornøjelse!

Denne bok gir idéer til bygging og lek med LEGO® klosser.

Alle de mulighetene som vises, tilhører LEGOLAND® miljøet - enten By, Romfart eller Borg.

De to figurene nederst på siden kan du følge hele veien gjennom boken.

Det er ikke sikkert at du kan bygge alt, nøyaktig slik det er vist i boken. Kanskje du mangler noen av delene.

Da kan du bare forandre modellen litt. Det viktigste er at du bruker de klossene du har, på nye måter.

God fornøyelse!

Denna bok ger dig många idéer till bygge och lek med LEGO®klossar.

De möjligheter, som vi visar här, har allesammans något med LEGOLAND®miljön att göra - alltså Stad, Rymd och Borg.

De två figurerna i bilen nederst på sidan kan du följa hela vägen genom boken.

Det är inte säkert, att du kan bygga alla sakerna exakt, som vi visar i boken. Men bygg ändå. Det viktigaste är, att du kommer igång och bygger med de klossar, som du har.

Lycka till!

Tämä kirja antaa Sinulle vihjeitä rakentamisesta ja leikeistä LEGO®palikoilla.

Kaikki tässä esitetyt mahdollisuudet liittyvät LEGOLAND® Kaupunkiin, Avaruuteen ja Linnaan.

Voit seurata läpi koko kirjan näitä kahta sivun alareunassa esiintyvää autoilijaa.

Et mahdollisesti pysty rakentamaan aivan kaikkea tässä kirjassa esiintyvää, koska Sinulta puuttuu elementtejä. Mutta rakenna, mitä voit. Tärkeintä on, että opit käyttämään palikoitasi uusilla tavoilla.

Pidä hauskaa!

This book gives ideas for building and play with LEGO® Bricks.

The possibilities shown all have something to do with LEGOLAND®scenes - namely Town, Space, and Castle. All the way through the book you can follow the adventures in LEGOLAND of the two figures in the car at the bottom of this page.

You may not be able to build all the things exactly as they are shown because you lack some of the pieces. But build anyway. The most important thing is to use the bricks you have in new ways. Have a good time!

Dit boek draagt ideeën aan voor het bouwen en spelen met LEGO®stenen.

Alle getoonde voorbeelden hebben iets te maken met de LEGOLAND®dozen: zoals Miniland, Ruimtevaart en Ridderland.

De twee poppetjes, onderaan deze bladzijde, wijzen je de weg door alle 84 bladzijden.

Misschien kun je niet alle voorbeelden precies nabouwen, omdat je niet alle juiste onderdelen hebt.

Maar verander het model dan maar een beetje. Het belangrijkste is dat je op die manier ontdekt hoe je LEGO elementen uit je eigen verzameling op een andere manier kunt gebruiken.

Veel plezier!

Este libro te dará ideas para jugar y construir con los ladrillos LEGO®.

Todas las posibilidades que se enseñan tienen algo que ver con la colección LEGOLAND®, Ciudad, Espacial o Castillos.

Desde el principio al fin de libro podrás acompañar en su viaje a las dos figuras que ves al final de esta página.

Si no puedes construir algo exactamente igual a como aparece en el libro será que te falta alguno de los elementos. No te preocupes, construyelo con alguna variación que se te ocurra. Lo más importante es que puedas usar tus ladrillos LEGO en formas nuevas y distintas.

¡Que te diviertas!
